MTE SPICE

About Us

Founded in 2005, our company has quickly grown into a \$60 million enterprise, becoming one of India's leading exporters. Our commitment to excellence has earned us the prestigious 3-star export house ranking from the Government of India, highlighting our dedication to high standards and exceptional products for global markets.

Journey of Quality Excellence:

Starting from humble beginnings, we faced early challenges in meeting international quality standards. Recognizing the importance of quality, we embarked on a transformative journey led by Mr. Suman Jaiswal and Mrs. Jayeeti Jaiswal. We implemented rigorous quality control measures, upgraded our facilities, and invested in workforce training. Mr. Manish Joshi, our Export Head, played a crucial role in streamlining production processes and enforcing stringent quality checks.

Today, our company stands as a testament to perseverance and commitment to quality. Trusted by customers worldwide, we continue to innovate and exceed expectations.
